### **Concert**

Please encourage friends and family to come to our Mozart Concert on Saturday. The Requiem and Solemn Vespers, despite their titles, contain some of Mozart's most beautiful, dramatic and inspiring music. We have some wonderful soloists and a top-quality orchestra, which features a BBC Young Musician Brass Section winner on trombone.

Please arrive for the rehearsal at 2:15 and we will be finished by 5:30.

We have had reports of penalty notices being issued to people who park for longer than the permitted period on concert days (e.g. Tesco car park) so it's worth checking the signs.

### **Tour to Tuscany**

A few last-minute reminders! Please make sure your envelope with emergency contact and medical details etc is passed to Kevin before we depart on Sunday morning. Don't forget your passport! You will need your tour music INCLUDING THE MOZART REQUIEM (for the Lacrimosa) in a black folder.

\*\*\*Please put your Stanford Motet scores in your cabin bag for the flight as we *might* sing on the plane!\*\*\*

If you are leaving from Fords in Daventry, please be there by 0845 for 0900 departure. Tourists leaving from Flore should be there by 0915 for a 0930 departure.

You will need full concert dress (including beads for the ladies) and an appropriate bag for your concert clothes for the transfer to each venue.
